SATRA Technology Centre, Wyndham Way, Telford Way, Kettering, Northamptonshire, NN16 8SD, United Kingdom

## Wide range of testing and consultancy

For all floorings including carpets, textiles, resilient floorcoverings, laminates, ceramics etc.

- Product specifications
- Wear resistance
- Slip resistance
- Fire resistance (reaction to fire testing)
- Chemical analysis for restricted substances (REACH)
- Material identification.

## On site slip testing

SATRA can offer a bespoke “on site” slip service measuring slip resistance of installed flooring at your location.

## Training

SATRA runs regular seminars where you can learn more about floor coverings testing and the Construction Products Regulations.
